DATE MAILED:

Please find below and/or attached an Office communication concerning this application or proceeding.

Commissioner for Patents

Examiner could not consider the IDS submitted on March 19, 2001 because none of the NPL (Non Patent Literature) was located in the official records. The IDS includes

- 1) Zhu et al., Network Working Group, Request for Comments 1922, "Chinese Character Encoding for Internet Messages", March 1996, pages 1-26
- 2) Searle, "A Brief History of Character Codes in North America, Europe, and East Asia", Sakamura Laboratory, University Museum, University of Tokyo, 1999, pages 1-22
- 3) Goldsmith et al., Network Working Group, Request for Comments 2152, "A Mail-Safe Transformation Format of Unicode", May 1997, pages 1-15

In regard to "Order Returning Undocketed Appeal to the examiner from BPAI" dated 05/17/2007, please resubmit the NPL for the IDS submitted on March 19, 2001 so examiner can consider it next time.
